

## 50. EASTER EGG HUNT

### Welcome song

**K:** Welcome to our fun learning radio broadcast with Kiki and Mr. Suits! This program was created in collaboration with Azyzah Educational and Interactive Theatre.

**S:** Nice to meet you friends!

**K:** Our question today is from Viola who is 9 years old from Cap Breton in Canada.

**S:** Hi Kiki and Mr. Suits, could you tell us about Easter eggs?

**K:** Yes! Ready to learn about Easter eggs?

**S:** Let's go!

### Theme

**S:** Kiki, I'm so excited for the Easter egg hunt! It's my favorite Easter tradition.

**K:** Mine too. I always feel like a detective.

**S:** Me too, I wonder where the Easter Bunny hid them this year.

**K:** In the garden, like every year. Remember, the rule is: Get as many eggs as you can

**S:** Before the time is up. I know, I know. Here's your basket, Kiki. It's, it's starting.

**S+K:** Three, two, one! Egg hunt!

**K:** Ha, found one!

**S:** Ha, me too!

**K:** Another one, cool!

**S/K:** Look at this one! - Jackpot! - Over here! . Haha!

**S:** Time's up!

**K:** Aw! Ok, let's see. Did you find any special Easter eggs?

**S:** I found this red one, it has little flower stickers on it.

**K:** Oh, so pretty. I found one with stickers too. It's green and the stickers look like baby

chicks.

**S:** Aw, cute. Hey, Kiki, look. This one is really special. It's blue and has beautiful white patterns painted on it.

**K:** Let me see. Whoa!

**S:** Careful, Kiki! It's hollow, don't break it.

**K:** Sorry. You know what? This is a traditional Czech Easter egg. My grandma paints eggs like these; she uses hot wax and a needle.

**S:** Dangerous. But super cool! Maybe she could teach us?

**K:** Totally. Look, I found a very special egg. Tada! It's gold. A real golden egg.

**S:** Um, Kiki? That's not a golden egg.

**K:** No?

**S:** No, it's a chocolate egg. Wrapped in tin foil.

**K:** Oh. Shame. But at least we can eat it. Yummy, yummy, yummy.

**S:** Wait, Kiki, we still have to count our eggs to see who won.

**K:** Oh, it doesn't matter. Let's eat chocolate!!

**S:** But let's wish our friends a happy Easter first.

**S+K:** Happy Easter, friends!

## Story

**S:** Woohoo! It's story time!

**K:** Today's story is about a special bunny and a greedy king.

Once upon a time, there was a king who had a very special hen . it laid golden eggs.

**(S)KING:** What if someone tries to steal my hen. Magician! Keep it out of danger.

**(K)MAGE:** Yes, my king. Whatever it takes.

**K:** It did not take long for the news of the magical hen to spread. One morning, the king went to see his hen, but

**(S)KING:** What? A rabbit? Where is my magic hen? - Servants! Let this bunny out in the woods. I will have the magician's head!

**K:** But when the magician came

**(K)MAGE:** You told me to protect your hen. I turned it into a rabbit to confuse thieves.

**K:** They never found the bunny again. But sometimes children found colorful eggs hidden in the grass. And every once in a while, someone found a golden one.

THE END

**Goodbye song**
